

## Important Insurance Questions

We're glad you've chosen us. We will be happy to file your insurance claims for you, as long as we are a "participating provider" with your plan. It is very important for you to know what your insurance does and does not cover. For example, some plans will cover "sick visits" but not "well child care visits" or immunizations. Please take a moment to call your insurance company to get these specifics.

Pertinent questions to ask your insurance carrier are:
